**GLOBAL NOTES REGARDING  
DEBTOR'S MONTHLY OPERATING REPORT**

This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in this chapter 11 case and is in a format acceptable to the United States Trustee. The financial information contained in the MOR is preliminary and unaudited, and as such may be subject to revision. The information in the MOR should not be viewed as indicative of future results.

The accompanying Preliminary Unaudited Financial Statements of Dowling College have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America using information from the Debtor's accounting sub ledger and general ledger systems.

While Debtor's management has made reasonable efforts to ensure that the MOR is accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the MOR. Moreover, because the MOR contains unaudited information, which is subject to further review and potential adjustment, there can be no assurance that this MOR is complete. The Debtor reserves all rights to amend the MOR from time to time, in all respects, as may be necessary or appropriate. These global notes regarding the Debtor's MOR ("Global Notes") comprise an integral part of the MOR and should be referred to and considered in connection with any review of the MOR.

**Specific Notes.**

Endowment Funds. Temporarily restricted net assets consist of various donor-restricted amounts for academic programs, scholarships, and revenue for future periods (i.e., contributions receivable and accumulated gains on endowment funds). Permanently restricted net assets represent endowment corpus, which provides investment income principally for scholarships. Dowling's endowment consists of approximately 55 individual funds established for a variety of purposes, including donor-restricted endowment funds. Dowling's management and investment of donor-restricted endowment funds is subject to the provisions of New York Prudent Management of Institutional Funds Act (NYPMIFA).

Pursuant to the investment policy approved by the board of trustees of Dowling, Dowling has interpreted NYPMIFA as allowing it to appropriate for expenditure or accumulate so much of a donor-restricted endowment fund, as Dowling deems prudent for the uses, benefits, purposes, and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. As a result of this interpretation, Dowling records the remaining portion of the donor-restricted endowment fund that is not permanently restricted, as temporarily restricted until those amounts are appropriated for expenditure in a manner consistent with the standards of prudence prescribed by NYPMIFA.

Levied Bank Accounts. Prior to the Petition Date, the Debtor's funds on deposit at TD Bank, NA (approximately \$506,000) that were included in 4 separate bank accounts were removed from the accounts and placed in separate holding accounts by TD Bank, NA in accordance with its internal procedures and following receipt of certain Restraining Notices served pursuant to NY CPLR Section 5222(b) filed by certain prepetition judgment creditors. Included in these restrained funds may have been certain restricted funds. Consistent with the Final Cash Management Order referred to above, the Debtor is in the process of evaluating the restrictions on these funds. The Debtor transferred these funds to four new DIP accounts maintained at Signature Bank in the same amounts and titles of the accounts that were maintained at TD Bank.

### **Sale of Assets:**

*Sale of Oakdale Campus and related contents* On the Petition Date, the Debtor filed a motion requesting the entry of, among other things, bidding procedures and bidder protections for the sale of the Oakdale Campus (the "Sale Motion") [DE 13]. On December 16, 2016, the Court entered an order approving, in part, the Sale Motion (the "Bidding Procedures Order") [DE 111], which approved, among other things, bidding procedures for the sale of the Oakdale Campus (the "Bidding Procedures").

The Debtor conducted an auction (the "Auction") on April 4, 2017 pursuant to the Bidding Procedures Order. The Auction was resulted in a high bid of \$26,500,000 by Princeton Education Center LLC ("Princeton"). The second highest bid was \$26,100,000, submitted by NCF Capital Limited ("NCF"). On April 6, 2017, the Debtor, after extensive consideration by and consultation with representatives of the Creditors' Committee and the DIP Lenders, determined to close the Auction formally and designated Princeton to be the Successful Bidder and NCF to be the Backup Bidder, subject to confirmation by the Board of Trustees of Dowling College (the "Board").

After the Auction, in accordance with the Bidding Procedures, Princeton increased the deposit being held by the Debtor such that it equaled 5% of the Princeton Purchase Price. Debtor's counsel held \$1,325,000.00 in its escrow account on account of Princeton's deposit (the "Princeton Deposit"). On April 10, 2017, the Court held a hearing to consider the Sale Motion and on April 12, 2017 the Court entered an order approving the sale of the Oakdale Campus free and clear of all liens, claims, encumbrance and other interests to Princeton pursuant to the Princeton APA (the "Sale Order") [DE 285].

The Princeton Asset Purchase Agreement ("Princeton APA") expressly provided that the closing shall take place within thirty (30) days after satisfaction or waiver of all conditions to the obligations of the Debtor and Princeton, time being of the essence. The deadline to close the contemplated sale transaction (the "Princeton Sale") was May 26, 2017. By letter dated May 26,

2017, Princeton's counsel requested an extension of the closing date by three (3) weeks to June 16, 2017 in order to assemble the funding necessary to consummate the Princeton Sale (the "Extension Request Letter"). In response to the Extension Request Letter, by letter dated May 26, 2017 for delivery on May 30, 2017, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, notified Princeton of its breach of the Princeton APA (the "Breach Notice"). The Breach Notice informed Princeton that (i) the Debtor intended to terminate the Princeton APA if the Princeton Sale did not close within fifteen (15) business days, as provided for in Section 12.1(c)(ii) of the Princeton APA and (ii) if the Princeton APA is terminated then the Debtor would retain the Princeton Deposit as liquidated damages, as provided for in Section 3.2 of the Princeton APA and the Bidding Procedures Order. Therefore, the deadline for Princeton to close the Princeton Sale was June 20, 2017 (the "Termination Date").

On June 19, 2017, Princeton notified the Debtor that the closing would not occur on June 20, 2017 because it did not have the funds necessary to close the Princeton Sale. Princeton failed to close the Princeton Sale by 12:59 p.m. on the Termination Date. Thereafter, by letter dated June 21, 2017, due to Princeton's failure to close the Princeton Sale, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, terminated the Princeton APA (the "Termination Letter"). As result of Princeton's breach and subsequent termination, pursuant to the terms of the Princeton APA the Debtor was authorized to retain the Princeton deposit of \$1,325,000. These funds were transferred from the Debtor's counsel's escrow account to the Debtor's cash accounts during July 2017. Pursuant to the DIP financing Order, during August 2017, these funds were subsequently transferred to UMB, as Trustee for the post petition DIP lenders as a Mandatory Prepayment.

### Back-up Bidder

The Bidding Procedures Order provided that if Princeton, as the Successful Bidder failed to consummate the Princeton Sale, then NCF, as the Backup Bidder, was automatically deemed to have submitted the highest or otherwise best bid. By letter dated June 21, 2017, due to Princeton's failure to close the Princeton Sale, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, determined to proceed with NCF as the Backup Bidder and notified NCF that it had been deemed the Successful Bidder in accordance with the Bidding Procedures Order (the "NCF Letter"). On July 14, 2017, the Court entered a Supplemental Sale Order (i) establishing Mercury International, LLC<sup>1</sup>, as assignee of NCF Capital Limited as the Successful Bidder and (ii) authorizing the Debtor to enter into and perform under the NCF APA. The Debtor's counsel is currently holding, in escrow, a deposit in the amount of \$1,305,000 (the "Deposit") from NCF relating to the NCF Asset Purchase Agreement. Pursuant to Order of the Court, in addition to the real estate, the Debtor agreed to sell the furniture and equipment located at the Oakdale Campus to NCF for \$90,000.

---

<sup>1</sup> On July 12, 2017, NCF gave the Debtor notice that it had assigned all of its rights and obligations in and to the NCF APA, including, but not limited to, the Deposit (as defined in the NCF APA), to Mercury International, LLC, a Delaware limited liability company, pursuant to section 14.5 of the NCF APA.

Closing of Sale of Oakdale Campus

On August 21, 2017, the Debtor closed on the sale of the Oakdale Campus and the furniture and equipment to NCF. In connection with the closing, it was agreed that NCF would hold \$75,000 in escrow related to potential repairs that may be required to one of the buildings located on the Oakdale Campus. The Debtor and NCF are in the process of evaluating the actual costs required to complete such repairs. After considering closing costs related to brokers' commissions and title fees (totaling approximately \$1,057,000), the net proceeds received by the Debtor at closing was \$25,058,000 related to the real estate and furniture and equipment. Subsequent to the receipt of the proceeds from this sale transaction, the Debtor filed a motion with the Court to approve the remittance of available net proceeds from the sale of the Oakdale Campus to the DIP Agent [DE 394]. The Debtor proposes to pay \$20,000,000 from the net proceeds received to pay down certain portions of the outstanding DIP Financing balances and related prepetition Debt in order to reduce the interest charges to the Estate. The Debtor's motion seeking this authority is scheduled to be heard on September 27, 2017.

Following is a summary of the reporting of these transactions included herein:

	<b>Oakdale Campus</b>	<b>Furniture &amp; Equipment</b>	<b>Total</b>

Sale of Residential Properties. Pursuant to Court Order, during December 2016, January 2017, April 2017, May 2017, June 2017 and August 2017, the Debtor sold 15 residential properties located near the Oakdale, Long Island Campus. In accordance with the Court Order, the net proceeds (after closing costs and realtor commissions relating to these sales) were paid directly to the secured lender that held the lien on these properties. Following is a summary of the funds relating to these sales:

(1) Includes realtor commissions and other closing costs.

*Sale of vacant land.* In connection with the residential property closed in August 2017, the Debtor sold its interest in an adjoining plot of vacant land to the same buyer of this residential property. The Debtor received \$25,000 from the buyer and has maintained these funds in one of the Debtors DIP accounts.

*Sale of IP Addresses.* On July 25, 2017, the Debtor sold its interest in over 65,000 IP addresses in the amount of \$851,968. In connection with the sale of these IP addresses, the Debtor was required to pay a commission to its retained agent in the amount of \$51,118.08.

The sale was subject to approval and transfer procedures required by the American Registry for Internet Numbers (“ARIN”). The proceeds have been held in escrow until the transfer was approved by ARIN. On September 6, 2017, the transfer was completed and the funds were deposited into the Debtor’s DIP account. The net amount of funds received by the Debtor, after payment of the aforementioned commission was \$800,849.92.

*Note on recognition of gains and losses for sales of Debtor’s assets.* The Debtor is in the process of determining net book values for the respective sale of individual assets. For purposes of this Monthly Operating Report, the Debtor has reflected the gain amounts entirely based on the proceeds received and disbursements paid relating to the transactions. As a result, actual gains and losses that consider net book values for each asset sold, that would be reported under Generally Accepted Accounting Principles, may differ from the amounts reported on these interim financial statements. As information becomes available, the Debtor may adjust the gain and loss result as needed.

Self-Insured Medical and Dental benefit plan. The Debtor maintained self-insured employee medical and dental benefit plans (the “Health Plans”). Under the provisions of the Health Plans, two third party administrators, CIGNA and Health Plex, provided claims processing and administrative functions, for the Medical and Dental coverage, respectively. Upon the closing of the Debtor’s operations in June 2016, this Health Plan was terminated. The U.S. Department of Labor is in the process of evaluating the outstanding unpaid claims under these Health Plans. As of the Petition Date, the Debtor was unable to quantify the total amount of claims to be potentially asserted in relation to the termination of the Health Plans due to, among other reasons, the fact that many claims may be unqualified for coverage or disallowed under the Health Plan. In addition, the Debtor’s, former third party administrators (“TPA’s”) of the Health Plans have stated that they will not agree to process the associated claims. Finally, the Debtor is presently unable to determine which parties actually hold the claims for monetary loss associated with the Health Plans termination, if any. Until further analysis can be performed, the Debtor has disclosed this issue herein, without quantification of the amounts due.

#### Student Receivables

The Debtor continues to evaluate the collectability of its receivables due from former students of the College. The Debtor’s balance sheet may not reflect the ultimate realization experience of such receivable balances. The Debtor continues to explore ways to maximize value of these receivables.

#### Pending Litigation

The Debtor is subject to lawsuits and claims that arise out of its operations in the normal course of business. The Debtor is a defendant in various litigation matters, some of which involve claims for damages that are substantial in amount. The Debtor believes it has meritorious defenses to the claims made and intends to contest the claims vigorously. Currently, the Debtor is unable to express an opinion as to the likely outcome of this litigation; therefore, as required by authoritative accounting guidance, no liabilities are reflected in the accompanying unaudited financial statements related to these claims. An unfavorable outcome could have a materially adverse effect on the Debtor’s financial position and results of operations.

**GLOBAL NOTES REGARDING  
DEBTOR'S MONTHLY OPERATING REPORT**

This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in this chapter 11 case and is in a format acceptable to the United States Trustee. The financial information contained in the MOR is preliminary and unaudited, and as such may be subject to revision. The information in the MOR should not be viewed as indicative of future results.

The accompanying Preliminary Unaudited Financial Statements of Dowling College have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America using information from the Debtor's accounting sub ledger and general ledger systems.

While Debtor's management has made reasonable efforts to ensure that the MOR is accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the MOR. Moreover, because the MOR contains unaudited information, which is subject to further review and potential adjustment, there can be no assurance that this MOR is complete. The Debtor reserves all rights to amend the MOR from time to time, in all respects, as may be necessary or appropriate. These global notes regarding the Debtor's MOR ("Global Notes") comprise an integral part of the MOR and should be referred to and considered in connection with any review of the MOR.

**Specific Notes.**

Endowment Funds. Temporarily restricted net assets consist of various donor-restricted amounts for academic programs, scholarships, and revenue for future periods (i.e., contributions receivable and accumulated gains on endowment funds). Permanently restricted net assets represent endowment corpus, which provides investment income principally for scholarships. Dowling's endowment consists of approximately 55 individual funds established for a variety of purposes, including donor-restricted endowment funds. Dowling's management and investment of donor-restricted endowment funds is subject to the provisions of New York Prudent Management of Institutional Funds Act (NYPMIFA).

Pursuant to the investment policy approved by the board of trustees of Dowling, Dowling has interpreted NYPMIFA as allowing it to appropriate for expenditure or accumulate so much of a donor-restricted endowment fund, as Dowling deems prudent for the uses, benefits, purposes, and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. As a result of this interpretation, Dowling records the remaining portion of the donor-restricted endowment fund that is not permanently restricted, as temporarily restricted until those amounts are appropriated for expenditure in a manner consistent with the standards of prudence prescribed by NYPMIFA.

Levied Bank Accounts. Prior to the Petition Date, the Debtor's funds on deposit at TD Bank, NA (approximately \$506,000) that were included in 4 separate bank accounts were removed from the accounts and placed in separate holding accounts by TD Bank, NA in accordance with its internal procedures and following receipt of certain Restraining Notices served pursuant to NY CPLR Section 5222(b) filed by certain prepetition judgment creditors. Included in these restrained funds may have been certain restricted funds. Consistent with the Final Cash Management Order referred to above, the Debtor is in the process of evaluating the restrictions on these funds. The Debtor transferred these funds to four new DIP accounts maintained at Signature Bank in the same amounts and titles of the accounts that were maintained at TD Bank.

### **Sale of Assets:**

*Sale of Oakdale Campus and related contents* On the Petition Date, the Debtor filed a motion requesting the entry of, among other things, bidding procedures and bidder protections for the sale of the Oakdale Campus (the "Sale Motion") [DE 13]. On December 16, 2016, the Court entered an order approving, in part, the Sale Motion (the "Bidding Procedures Order") [DE 111], which approved, among other things, bidding procedures for the sale of the Oakdale Campus (the "Bidding Procedures").

The Debtor conducted an auction (the "Auction") on April 4, 2017 pursuant to the Bidding Procedures Order. The Auction was resulted in a high bid of \$26,500,000 by Princeton Education Center LLC ("Princeton"). The second highest bid was \$26,100,000, submitted by NCF Capital Limited ("NCF"). On April 6, 2017, the Debtor, after extensive consideration by and consultation with representatives of the Creditors' Committee and the DIP Lenders, determined to close the Auction formally and designated Princeton to be the Successful Bidder and NCF to be the Backup Bidder, subject to confirmation by the Board of Trustees of Dowling College (the "Board").

After the Auction, in accordance with the Bidding Procedures, Princeton increased the deposit being held by the Debtor such that it equaled 5% of the Princeton Purchase Price. Debtor's counsel held \$1,325,000.00 in its escrow account on account of Princeton's deposit (the "Princeton Deposit"). On April 10, 2017, the Court held a hearing to consider the Sale Motion and on April 12, 2017 the Court entered an order approving the sale of the Oakdale Campus free and clear of all liens, claims, encumbrance and other interests to Princeton pursuant to the Princeton APA (the "Sale Order") [DE 285].

The Princeton Asset Purchase Agreement ("Princeton APA") expressly provided that the closing shall take place within thirty (30) days after satisfaction or waiver of all conditions to the obligations of the Debtor and Princeton, time being of the essence. The deadline to close the contemplated sale transaction (the "Princeton Sale") was May 26, 2017. By letter dated May 26,

2017, Princeton's counsel requested an extension of the closing date by three (3) weeks to June 16, 2017 in order to assemble the funding necessary to consummate the Princeton Sale (the "Extension Request Letter"). In response to the Extension Request Letter, by letter dated May 26, 2017 for delivery on May 30, 2017, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, notified Princeton of its breach of the Princeton APA (the "Breach Notice"). The Breach Notice informed Princeton that (i) the Debtor intended to terminate the Princeton APA if the Princeton Sale did not close within fifteen (15) business days, as provided for in Section 12.1(c)(ii) of the Princeton APA and (ii) if the Princeton APA is terminated then the Debtor would retain the Princeton Deposit as liquidated damages, as provided for in Section 3.2 of the Princeton APA and the Bidding Procedures Order. Therefore, the deadline for Princeton to close the Princeton Sale was June 20, 2017 (the "Termination Date").

On June 19, 2017, Princeton notified the Debtor that the closing would not occur on June 20, 2017 because it did not have the funds necessary to close the Princeton Sale. Princeton failed to close the Princeton Sale by 12:59 p.m. on the Termination Date. Thereafter, by letter dated June 21, 2017, due to Princeton's failure to close the Princeton Sale, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, terminated the Princeton APA (the "Termination Letter"). As result of Princeton's breach and subsequent termination, pursuant to the terms of the Princeton APA the Debtor was authorized to retain the Princeton deposit of \$1,325,000. These funds were transferred from the Debtor's counsel's escrow account to the Debtor's cash accounts during July 2017. Pursuant to the DIP financing Order, during August 2017, these funds were subsequently transferred to UMB, as Trustee for the post petition DIP lenders as a Mandatory Prepayment.

### Back-up Bidder

The Bidding Procedures Order provided that if Princeton, as the Successful Bidder failed to consummate the Princeton Sale, then NCF, as the Backup Bidder, was automatically deemed to have submitted the highest or otherwise best bid. By letter dated June 21, 2017, due to Princeton's failure to close the Princeton Sale, the Debtor, in consultation with the Creditors' Committee and the DIP Lenders, determined to proceed with NCF as the Backup Bidder and notified NCF that it had been deemed the Successful Bidder in accordance with the Bidding Procedures Order (the "NCF Letter"). On July 14, 2017, the Court entered a Supplemental Sale Order (i) establishing Mercury International, LLC<sup>1</sup>, as assignee of NCF Capital Limited as the Successful Bidder and (ii) authorizing the Debtor to enter into and perform under the NCF APA. The Debtor's counsel is currently holding, in escrow, a deposit in the amount of \$1,305,000 (the "Deposit") from NCF relating to the NCF Asset Purchase Agreement. Pursuant to Order of the Court, in addition to the real estate, the Debtor agreed to sell the furniture and equipment located at the Oakdale Campus to NCF for \$90,000.

---

<sup>1</sup> On July 12, 2017, NCF gave the Debtor notice that it had assigned all of its rights and obligations in and to the NCF APA, including, but not limited to, the Deposit (as defined in the NCF APA), to Mercury International, LLC, a Delaware limited liability company, pursuant to section 14.5 of the NCF APA.

Closing of Sale of Oakdale Campus

On August 21, 2017, the Debtor closed on the sale of the Oakdale Campus and the furniture and equipment to NCF. In connection with the closing, it was agreed that NCF would hold \$75,000 in escrow related to potential repairs that may be required to one of the buildings located on the Oakdale Campus. The Debtor and NCF are in the process of evaluating the actual costs required to complete such repairs. After considering closing costs related to brokers' commissions and title fees (totaling approximately \$1,057,000), the net proceeds received by the Debtor at closing was \$25,058,000 related to the real estate and furniture and equipment. Subsequent to the receipt of the proceeds from this sale transaction, the Debtor filed a motion with the Court to approve the remittance of available net proceeds from the sale of the Oakdale Campus to the DIP Agent [DE 394]. The Debtor is seeking \$20,000,000 from the net proceeds received, to pay down certain portions of the DIP Financing balances and prepetition Debt to reduce the interest cost to the Estate. The Debtor is awaiting the Court to hear this motion.

Following is a summary of the reporting of these transactions included herein:

*Sale of vacant land.* In connection with the residential property closed in August 2017, the Debtor sold its interest in an adjoining plot of vacant land to the same buyer of this residential property. The Debtor received \$25,000 from the buyer and has maintained these funds in one of the Debtors DIP accounts.

*Sale of IP Addresses.* On July 25, 2017, the Debtor sold its interest in over 65,000 IP addresses in the amount of \$851,968. In connection with the sale of these IP addresses, the Debtor was required to pay a commission to its retained agent in the amount of \$51,118.08.

The sale was subject to approval and transfer procedures required by the American Registry for Internet Numbers (“ARIN”). The proceeds have been held in escrow until the transfer was approved by ARIN. On September 6, 2017, the transfer was completed and the funds were deposited into the Debtor’s DIP account. The net amount of funds received by the Debtor, after payment of the aforementioned commission was \$800,849.92.

*Note on recognition of gains and losses for sales of Debtor’s assets.* The Debtor is in the process of determining net book values for the respective sale of individual assets. For purposes of this Monthly Operating Report, the Debtor has reflected the gain amounts entirely based on the proceeds received and disbursements paid relating to the transactions. As a result, actual gains and losses that consider net book values for each asset sold, that would be reported under Generally Accepted Accounting Principles, may differ from the amounts reported on these interim financial statements. As information becomes available, the Debtor may adjust the gain and loss result as needed.

Self-Insured Medical and Dental benefit plan. The Debtor maintained self-insured employee medical and dental benefit plans (the “Health Plans”). Under the provisions of the Health Plans, two third party administrators, CIGNA and Health Plex, provided claims processing and administrative functions, for the Medical and Dental coverage, respectively. Upon the closing of the Debtor’s operations in June 2016, this Health Plan was terminated. The U.S. Department of Labor is in the process of evaluating the outstanding unpaid claims under these Health Plans. As of the Petition Date, the Debtor was unable to quantify the total amount of claims to be potentially asserted in relation to the termination of the Health Plans due to, among other reasons, the fact that many claims may be unqualified for coverage or disallowed under the Health Plan. In addition, the Debtor’s, former third party administrators (“TPA’s”) of the Health Plans have stated that they will not agree to process the associated claims. Finally, the Debtor is presently unable to determine which parties actually hold the claims for monetary loss associated with the Health Plans termination, if any. Until further analysis can be performed, the Debtor has disclosed this issue herein, without quantification of the amounts due.

#### Student Receivables

The Debtor continues to evaluate the collectability of its receivables due from former students of the College. The Debtor’s balance sheet may not reflect the ultimate realization experience of such receivable balances. The Debtor continues to explore ways to maximize value of these receivables.

#### Pending Litigation

The Debtor is subject to lawsuits and claims that arise out of its operations in the normal course of business. The Debtor is a defendant in various litigation matters, some of which involve claims for damages that are substantial in amount. The Debtor believes it has meritorious defenses to the claims made and intends to contest the claims vigorously. Currently, the Debtor is unable to express an opinion as to the likely outcome of this litigation; therefore, as required by authoritative accounting guidance, no liabilities are reflected in the accompanying unaudited financial statements related to these claims. An unfavorable outcome could have a materially adverse effect on the Debtor’s financial position and results of operations.

(1) Debtor is currently investigating if these funds are restricted.

(2) Bank accounts maintained for tenant security deposits.

(3) Pursuant to Court Order, proceeds from the sale of the Debtor's residential real estate located in Oakdale, NY were paid directly to the secured lender that held the liens on these properties. Since the funds were paid directly to the lender and third parties, no funds related to these transactions flowed through the Debtor's bank accounts.

(4) Bank account relates to Perkins Title IV loan proceeds, repayments, and other charges to students relating to federal loan funding. Student loan repayment activity is managed by a third party servicer that tracks repayments and funds deposited into the US Bank account.
